LB 240, 520, 520A

SENATOR RASMUSSEN: Madam President, members of the body, 520A reflects the language that is necessary to implement the fiscal nature of LB 520. I would just simply remind you that this is primarily an offset through federal Medicaid dollars combining with some federal dollars through Part H, 99-457, and there will be no request for general appropriations, and I would urge your support for 520A.

PRESIDENT MOUL: Thank you, Senator Rasmussen. Does anyone wish to speak to the bill? Seeing none, we will now vote on the motion to advance LB 520A. All those in favor please vote aye, opposed nay. Have you all voted? Have you all voted on the motion? Please record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Madam President, on the advancement of 520A.

PRESIDENT MOUL: LB 520A is advanced. We will proceed with Select File, LB 240.

CLERK: Madam President, Senator, I have E & R amendments pending to LB 240.

PRESIDENT MOUL: Senator Hohenstein.

SENATOR HOHENSTEIN: I'd move to adopt the E & R amendments to LB 240.

PRESIDENT MOUL: You've heard the motion to adopt the E & R amendments. All those in favor please say aye. Opposed nay. E & R amendments are adopted.

CLERK: Madam President, the first amendment I have is by Senator Hall. I have a note, however, that Senator Hall would like to withdraw and substitute AM0869. That is offered by himself and Senator Landis. (See pages 1002-03 of the Legislative Journal.)

PRESIDENT MOUL: Senator Landis, since...but Senator Hall is not here, is that consistent with your understanding? Would you be prepared to introduce that?

SENATOR LANDIS: Yeah.
